

MONIKA RANA

Managing Associate, IP & Patents @ LEXORBIS

+91 9996103661 | rana.monika109@gmail.com | <https://www.linkedin.com/in/monika-rana-2a0112120/> | Delhi, India

SUMMARY

Registered Patent Agent (IN/PA 4365) and experienced patent professional with 8+ years in the legal services industry, currently serving as Managing Associate at LexOrbis.

Skilled in prosecuting patent applications across multiple jurisdictions including EP, US, AU, BD, IN, CN and others; conducting prior-art and patentability searches across leading IP databases; and providing strategic patent advice to inventors and corporate clients.

Strong research foundation with an M.Tech in Computer Science from Deenbandhu Chhotu Ram University of Science & Technology (DCRUST), Murthal, and two peer-reviewed publications in computer-networking domains.

Combines deep technical understanding (CS / networks / algorithms) with rigorous legal drafting to deliver high-quality patent prosecution and advisory services.

EXPERIENCE

Managing Associate

LexOrbis | 05/2025 – Present | Delhi, India

- Lead end-to-end patent prosecution for an international client portfolio across multiple jurisdictions (EP, US, AU, BD, IN, CN and others).
- Manage and mentor a team of patent associates, reviewing drafts, office-action responses.
- Advise inventors and corporate clients on patentability, claim strategy and global filing programmes.
- Coordinate with foreign associates for prosecution strategy alignment and timely docket management.

Senior Associate

LexOrbis | 01/2024 – 05/2025 | New Delhi, India

- Owned drafting and prosecution of patent applications for clients spanning electronics, telecom, software and life-science domains.
- Drafted office-action responses, request-for-examination filings and pre-grant / post-grant submissions before the Indian Patent Office.
- Conducted patentability searches using paid and free IP databases like Derwent.
- Mentored junior associates on claim drafting, technical understanding and prosecution best practices.

Patent Associate

LexOrbis | 10/2019 – 12/2023 | Delhi, India

- Drafted, filed and prosecuted patent applications across multiple jurisdictions, with emphasis on India, US and Europe.
- Cleared the Indian Patent Agent qualifying examination during this tenure (registration IN/PA 4365, Aug 2022).
